

## THE MANAGEMENT DEVELOPMENT NETWORK (MDN) “TIME EXPIRED” and “FURTHER DEVELOPMENT” PROGRAMMES

The table below summarises Chartered Management Institute (CMI) qualification programmes offered by MDN to current and former regular and reserve service personnel. These nationally recognised qualifications are available to those who did not benefit from the current service course accreditation opportunities, and so have ‘Timed Out’, or those who wish to go beyond the service accreditation available on a ‘Further Development’ programme. MDN also designs bespoke qualification programmes to help uplift any current qualifications to the next level. All learners are supported on a 1:1 basis. The achievement of the prestigious award of Chartered Manager is also available for those with the necessary management experience.

All CMI qualifications offered are on the national Regulated Qualifications Framework (RQF)
